

# Right at Home

Financial Answers for Home Ownership

## What you need to know to keep your home in tough economic times.

Housing counseling, mortgage, and money management experts help you:

- Find and get the right mortgage loan – one that fits your budget
- Develop your plan of action, so you can:
  - Stay in your home
  - Move on without foreclosure
- Negotiate with your lender
- Get back on track
- Protect your credit rating – and avoid fraud in the process
- Manage your money and put together a budget that works for you
- Find free help through community resources
- Hear from real homeowners who were able to avoid foreclosure

The video is available as a DVD or may be viewed on our Web site. The Web site features additional resources and information about current programs.

Brought to you by the Michigan Credit Union League with funding from a National Credit Union Foundation Innovation Grant.
